Spring 2025 Global Attitudes Survey
May 22, 2025, release

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, refer to the Methodology section and our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100% because they are based on unrounded numbers.
- Prior to 2024, combined totals were based on rounded topline figures. Going forward, totals will be based on unrounded topline figures, so combined totals might be different than in previous years.
- Not all questions included in the Spring 2025 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
